### Pattern Notes

Pencil Case is made up of separate pieces that are first worked and then either crocheted or sewed together. Head, Tail, and End of Pencil Case are worked using amigurumi

method, working in a spiral without closing each round with ss. Mark first st of each round with a stitch marker, moving it up as you go. Pouch, Neck and Ears are not worked using amigurumi method.

Use tapestry crochet method for colour changes of Head: carry unused yarn along as you work, trapping it inside sts, and change colour in last yoh of previous st. For all other sections, fasten off previous colour at each colour change.
