## DUPLICATE STITCH EMBROIDERY

Working from marked centre outwards, work blue tit pattern following schematic.

Work duplicate stitches as follows:

Thread tapestry needle with a length of Cahlista for area to be stitched no longer than 80cm.

**Step 1** Insert needle from back of fabric to the front, emerging at the bottom of the 'v' where stitch is to be placed, leaving 4 cm tail hanging on back.

**Step 2** Pass needle beneath stitch above, under both strands of Scrumptious.

**Step 3** Pass needle back through the bottom of the stitch where you started in Step 1, creating a duplicate stitch on top, ensuring stitch lays smooth and flat.

**Step 4** Continue working in any direction until the colour section is complete or yarn is running out, then cut yarn at back to 6cm.

To secure ends, use tapestry needle tip to gently separate the Cahlista strands evenly into two. Use the 2.5mm crochet hook to pull one half under a nearby Cahlista stitch at back of work. Tie the two together in a reef (square) knot around stitch and trim ends to 1.5cm.

Repeat Steps 1-4 for all remaining colour sections.
