## INSTRUCTIONS

### JOINING MOTIFS

Block Motifs.

Lay Motifs out according to Schematic: Blanket Layout.

Using Yarn I, join using flat zipper join (or flat ss join) as follows:

With Motifs RS up and held flat, hold yarn at back and beginning in second ch of cnrs, insert hook from front to back through each inside loop, yoh, pull through both loops on hook to make ss. Continue to end of motif and next motif if applicable.

Follow joining schematic; when working over an existing join, enclose it with the new join so it appears seamless.

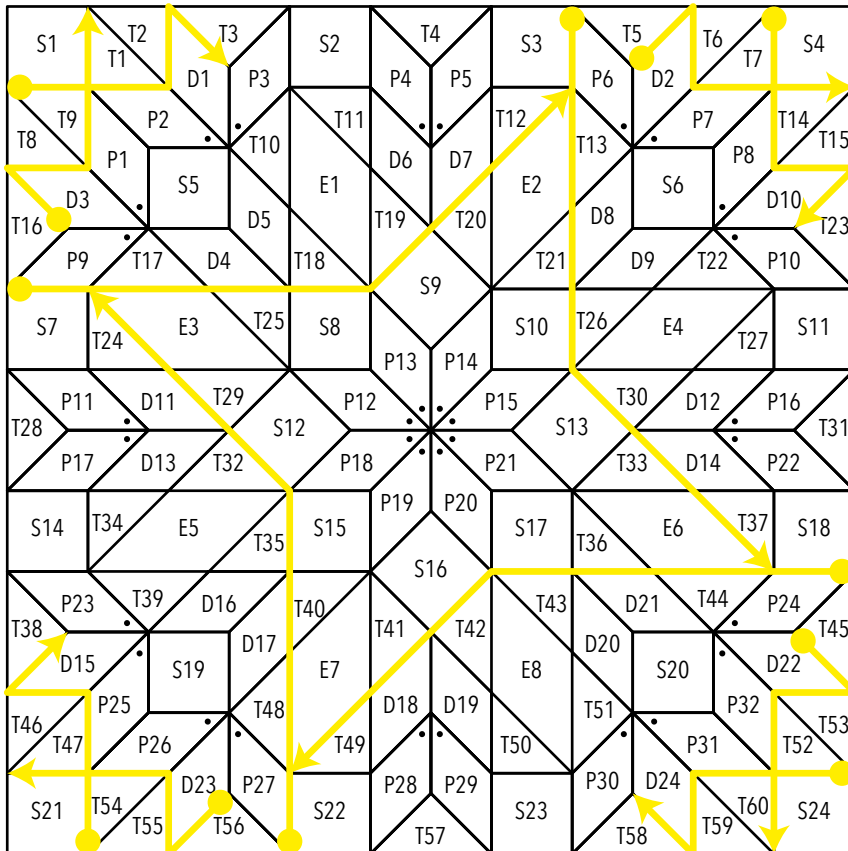

*Note: all cnrs and points of Motifs have ch-2 sps except for sides of Diamond Motifs, each side of ch-1 sps of these Motifs may be worked into twice, all other chs or stn will only be worked into once. Also, when joining 3 cnrs, sides of 2 Diamond Motifs and Square or square point of Triangle, join into blo of ch-1 sps on both Diamond Motifs and blo of both chs of the Square cnr.*

*Use yarn tails to tidy beg and end of a joining line.*
