PATTERN NOTES

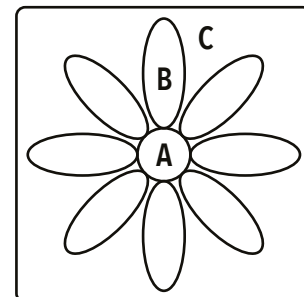

Blanket consists of 30 motifs that will be
joined, finally, a border is added. Pay close
attention to gauge as it affects amount of yarn
required. If in doubt, use a smaller crochet
hook. Yarn from colour pack is exactly enough
for Blanket. Retro daisy granny square is made
with three colours: after working flower hart,
alternate two colours. Let yarn you are not
using hang loose. Watching a video for the
specific motif might be helpful. Refer to the
colour table for colour usage per motif.

See Schematic 3: Blanket Layout and lay out all motifs as shown or as desired. First, join all vertical rows, indicated with a red line on the schematic. Then join all horizontal rows, indicated with a blue line on the schematic. Make sure to neatly align all motifs as you work.

With slip knot on hook, insert hook from front to back in blo of first dc in bottom left corner of right motif, then insert hook from front to back in blo of first dc in bottom right corner of left motif, yoh, pull up loop (first ss made), insert hook from front to back in blo of next dc of both motifs, yoh and pull up loop, continue in same way to last dc of this side. Place two new motifs above the just joined motifs and join them in same way as before. Continue until you have joined all 12 motifs together, fasten off at the end. Join all vertical rows together in same way until you have a blanket where you have only joined all vertical seams. Then join all horizontal seams together in same way, working over the previously joined (vertical) seams when reaching corners. Fasten off and weave in all ends.
