Tassel (make 1 in Yarns A-I, and 8 in Yarn J)

Before slipping the yarn of the cardboard, take a 20cm (8in) length of yarn and wrap it around the looped ends at the top and tie a knot. Then slip the tassel of the cardboard. Take another 20cm-long piece of yarn and position it about 1cm under the top knot, tie the yarn around 5 times. Then cut the looped ends open and your tassel is finished.

TO FINISH

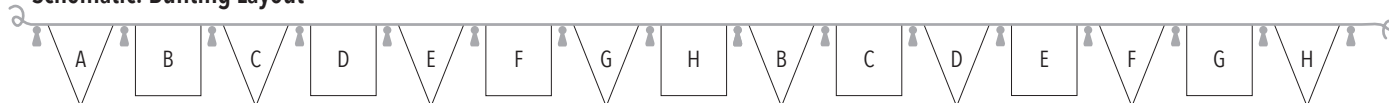

Block Flags to size.

Sew the beads to the bottom of the Triangular Flags as follows; first attach the large bead, then the small one and sew back through the large bead to secure, finish by weaving in the end.

See *Schematic: Bunting Layout* or use colour order of your choosing. Start in the centre of the Bunting Line and place all Flags on the line accordingly. Evenly place all Flags across the Bunting Line and attach Tassels in between and on both ends. Weave in all ends.
